

THE NZSP DISTRICT GAZETTE

STAYING ALIVE

**The governor's message
Le mot du gouverneur
Corinne CALVEZ**

Chers membres du district NZSP

"Staying alive !"

Au delà du clin d'oeil musical et du rythme entraînant que nous avons tous en tête, ce slogan est une affirmation de vitalité, c'est la volonté d'être pleinement vivants, actifs, visibles et utiles !

Pour notre district NZSP, cette mandature doit marquer un cap clair autour de 3 exigences

Garder notre impact vivant : continuer nos actions sur le terrain, adapter nos initiatives aux besoins de nos communautés, transformer les routines.

Insufler un nouveau souffle à nos clubs : Notre enjeu majeur cette année, garder nos membres, mais aussi accueillir de nouvelles personnes, ouvrir nos portes. Soyons plus flexibles.

Garder le rythme ensemble : comme dans la chanson staying alive, il faut donner un rythme régulier, collectif à notre travail, gardons la cadence pour aller loin.

Ce mandat , je tiens à le faire sur le terrain, dans vos clubs, à vos côtés. Mon rôle et celui de l'équipe du district sera de vous soutenir, de vous donner les outils nécessaires.

Soyons audacieux, pragmatiques et surtout restons profondément vivants dans tout ce que nous entreprenons

Je vous remercie pour votre confiance.

Restons vivants

Beyond the musical wink and the lively rhythm that we all have in mind, this slogan is an affirmation of vitality, it is the will to be fully alive, active, visible and useful!

For our NZSp district, this mandate must set a clear course around 3 requirements
Keep our impact alive: continue our actions on the ground, adapt our initiatives to the needs of our communities, transform routines.

To inspire a new spirit in our clubs: Our major challenge this year is to keep our members, but also to welcome new people and open our doors. Let's be more flexible.
Keep the rhythm together: as in the song staying alive, we have to give a regular, collective rhythm to our work, let's keep the pace to go far.

This mandate, I want to do it on the field, in your clubs, by your side. My role and that of the district team will be to support you, to give you the necessary tools.

Let's be bold, pragmatic and above all, stay deeply alive in everything we undertake
Thank you for your trust.

Let's stay alive! !
